

COUNTDOWN NO. 3 2008 ARMA Canada Conference News

Are you ready to "roll on the river" in Fredericton?

The local conference team has some great social events lined up for you. After intensive days of learning the latest in RIM, you'll be ready to kick back and enjoy some Maritime entertainment!

Sunday Ice Breaker: Traditional Celtic music by David Nightingale and Barry Hughes.

Monday is "Red and White Night": Dress in Canadian colours to celebrate ARMA Canada's 40th birthday at a Down-East Kitchen Party. Local colour will be provided by "Old Bob and Uncle Teddy", a musical comedy duo from "the backwoods of Southern New Brunswick". They'll have you rolling in the aisles with their slapstick, twisted style. Check out their website at www.bobandteddy.com.

Tuesday Awards Banquet: You'll be entertained in style by Oromocto's Lintuhtine Choir, under the direction of Helen Mórág McKinnon.
